Training Module Rental Procedure

The Foundation maintains a library of training modules that are loaned to FRSA members to enhance their in-house training program. There is no charge for rental.

Steps to follow when borrowing from FRSA's Training Module Library:

1. Review the following list of training modules.
2. Indicate your selection(s) on the form and return.
(Please limit your request to two modules each time.)
3. We will promptly mail the training module(s) to you.
(Please be sure to include your company's physical address.)
4. We ask that all materials be returned within 30 days.

Most modules include: one (1) video, one (1) workbook for the instructor, one (1) workbook for students. Some modules include transparencies and/or slides.

We hope that you find the NRCA Training Modules beneficial to your employee-training program.
