### **Roofing Association Ready to Assist Storm Victims**

Winter Park, FL – In the wake of the recent tornado damage, the Florida Roofing, Sheet Metal and Air Conditioning Contractors Association (FRSA) stands ready to help those in need of information on how to handle their roofing repair or replacement questions. By accessing the association's website: [www.floridarooft.com](http://www.floridarooft.com) or calling 800-767-3772, consumers can access valuable tips on what to look for when hiring a roofing contractor, including a list of FRSA members within their area.

FRSA is a nonprofit, state trade organization that represents the professional roofing contractor community in the State of Florida. Founded in 1922, the association works to promote professionalism within its industry and provides education to consumers on proper roofing practices and the importance of hiring qualified, insured and licensed contractors. FRSA currently represents the interests and acts as the voice of over 850 members before government and regulatory bodies of all kinds.

For further information on the benefits offered by FRSA to consumers and contractors, visit their web page at [www.floridarooft.com](http://www.floridarooft.com) or call 800-767-3772.
