

**Reserve Your  
Place in History**

**Participate in  
FRSA's Memorial  
Walkway**

The FRSA Memorial Brick Walkway was completed at the FRSA building in Winter Park in June, 1996. More than 125 inscribed bricks are now a part of this beautiful walkway which graces the entrance to FRSA Headquarters.

Plans for the walkway were developed by the FRSA Advisory Committee (a committee consisting of FRSA past presidents) to reduce the building's debt (it is now paid-off) and to further enhance the appearance of the building while providing a lasting tribute to many FRSA members and their families.

Inscribed bricks are available at a cost of \$250 per brick. Companies may inscribe them with memorial tributes, the names of their companies, company logos or any of a number of options. Individual bricks can be inscribed with three lines consisting of up to thirteen characters per line.

For further information, contact Mike Reed at FRSA Headquarters, 407-671-3222, ext. 167 or email: [reed@floridarroof.com](mailto:reed@floridarroof.com). To order a brick please fill out the following form and fax it to Mike at 407-679-0010.

**Brick Order Form for FRSA Memorial Walkway**

- Yes, I'm interested – please contact me with further information
- Please accept my order and inscribe my brick(s) per the information found on this order form.
